This approach successfully helps parishes invite this important group into the life of the Church.	RENEW Theology on Tap offers an innovative solution to one of today's most pressing pastoral concerns: how to reach out to young Catholic adults. The program does this by establishing a process that enhances a local or regional young adult ministry by creating opportunities for young adults to listen to a well-informed and dynamic speaker, discuss relevant spiritual topics, and get to know one another in a comfortable young-adult friendly setting.
