

Implementation on November 27, 2011

“What should be taking place with our catechetical efforts?”

Dioceses should have a projected plan of what they intend to do to encourage preparation for implementation of the new translation in their dioceses. Parishes should, if they have not already done so, offer a basic catechesis about the text, especially about the changes in the people’s responses. The *Newsletter* of the Committee on Divine Worship has already highlighted various catechetical resources which will be valuable tools for the formation process. In September, 2010, the USCCB will offer the [*Parish Guide to Implementing the Roman Missal*](#). This resource will offer a roadmap to implementing the new translation in the parish. Both the International Commission on English in the Liturgy and USCCB will offer a multi-media DVD resource entitled [*Become One Body, One Spirit in Christ*](#), an excellent catechetical resource for examining the new translation in the broader context of the history and theology of liturgy. With the final text now available, other publishers will provide catechetical materials which, among other things, will begin to look at the historical and theological aspects of the text” (USCCB).
