Payment to Visiting Foreign Retreat/Mission Leaders

Pastors who invite guests (priests, women religious or lay) from foreign countries to give Lenten Retreats or Missions **MAY NOT PAY THEM DIRECTLY**. This is a violation of Federal law. The stipend must be sent to their home parish/diocese/religious community and that foreign entity can issue the stipend to them. The U.S. Immigration Office now has authority to conduct on-site inspections and can levy heavy fines for these and other types of violations.

Outside Mission Groups Visiting Parishes

All outside mission groups requesting to come and make an appeal in parishes must be cleared through the Office of Social Concerns at Catholic Charities. These should not be scheduled independently by the pastor. The USCCB has prohibited certain groups from making parish appeals, and the pastor may not be aware of such information. Please contact **Catarina Torres at 214-520-6590 x 124** if you have any questions. Her office will be contacting parishes in the near future to schedule a missionary to visit.
