

## Instructions for chalice and host activity

1. Print out host template. Cut out and fold host so that it opens like a door with the picture of Jesus inside.
2. Print out template of chalice. Cut out template. Fold a yellow piece of construction paper in half and put the flat side of the chalice template on the folded edge. Trace around template and cut out. When you open it you will have a complete chalice. Be sure to draw in the top part of the chalice.
3. Glue chalice to your background paper and let your child decorate it with crayons, markers, glitter, plastic jewels, sequins, etc.
4. Glue host above the chalice making sure the door opens the correct way. You can also draw a cross on the outside of the host.
