

Ministry of Consolation Training

This training is to assist parish volunteers, Extraordinary Ministers of Holy Communion and other lay ministers who visit Nursing Homes, Hospital patients, and homebound parishioners in developing and enhancing listening skills to help meet the needs of those who suffer loss, not only loss through death of a loved one, also loss of health, hearing, mobility, independence, etc. We will cover many stages of loss and equip you with a sense of ability and confidence to face the myriad situations and questions people with loss often express.

Facilitators: Merrilee S. Kralik, BCC, MPM & Phyllis Carr, MPM
