

# Developing Pathways and Playlists for Discipleship and Faith Growth

## Part 1. Pathways

---

*Personalized learning is tailoring learning (faith formation) around each person's strengths, needs and interests— including enabling choice in what, how, when and where people learn (grow in faith and discipleship).*

**A Pathway is a process** for helping people discern where they are in their faith journey and to chart a path for faith growth—to get from where they are to a closer relationship with Jesus and a deeper practice of the Christian faith.. People should be able to clearly understand where they are in their faith journey and their next steps in faith growth. They don't have to do everything, they just need to do the one next thing..

**A Pathway is life-centered**, reaching into every area of a person's life: relationships, family life, life transitions, marriage, parenting, financial stewardship, spiritual formation, professional and work life, service to others, and more.

**A Pathway is holistic** incorporating the whole person: head, heart, and hands.

- *A way of the head* (inform) demands a discipleship of faith seeking understanding and belief with personal conviction, sustained by study, reflecting, discerning and deciding, all toward spiritual wisdom for life. This requires that we educate people to know, understand, and embrace with personal conviction Christianity's core belief and values.
- *A way of the heart* (form) demands a discipleship of right relationships and right desires, community building, hospitality and inclusion, trust in God's love, and prayer and worship. This requires that we foster growth in people's identity through formation and the intentional socialization of Christian family and community.
- *A way of the hands* (transform) demands a discipleship of love, justice, peace-making, simplicity, integrity, healing, and repentance. This requires that we foster in people an openness to a lifelong journey of conversion toward holiness and fullness of life for themselves and for the life of the world.

(See *Will There Be Faith: A New Vision for Educating and Growing Disciples*. Thomas Groome, HarperOne, 2011, pages 111-119).

**A Pathway focuses on faith maturing.** The goal of a Pathway is to develop disciples and promote faith growth. A Pathway is created around the church's vision of discipleship and mature faith—identifying characteristics of faith maturing that can be used for people to discern their faith journey and chart a path for growth.

# Designing a Pathways Model for Discipleship & Faith Growth

(See the examples beginning on page 7 for illustrations of Pathways models.)

1. Identify a target audience(s): children and parents, adolescents, young adults, midlife adults, mature adults, older adults.
2. Describe the life stage and religious-spiritual characteristics of your target audience.
3. Identify how you will use the Pathways model, for example:
  - Sacraments/milestones: Marriage, Baptism, First Communion, Confirmation, beginning church faith formation, etc.
  - RCIA, evangelization, and new member processes
  - Gathered faith formation events and programming
  - Parenting meetings
  - Small groups: affinity groups, interest groups, Bible study groups,
  - On-ramps where people in your church might start the discipleship journey
4. Develop the characteristics of faith growth you want to use in your Pathways model. For example:
  - Option 1. Use characteristics of faith growth specific to the life stage (such as family faith practices) or the content of the event (such as preparing for confirmation)
  - Option 2. Use characteristics of maturing faith (see the “Faith Maturing Characteristics” below)
    - Relationships with Jesus Christ
    - Living the Christian way of life - discipleship
    - Living with moral integrity
    - Learning and articulating the teachings of the Christian tradition
    - Praying and seeking spiritual growth
    - Studying and reading the Bible
    - Engaging in service and mission to the world
    - Worshipping with the community
5. Develop a ‘discernment continuum” that gives people a way to reflect on their current growth, for example:
  - Inquiring---Getting Started---Making Progress---Going Deeper
  - How true is each statement for you: 1= not true from me , 3=somewhat true for me, 5=very true for me

## Part 2. Developing Playlists of Content & Experiences

*A faith formation playlist is a curated group of digital (online, video, audio, print) and gathered (church, home, small groups, etc.) faith forming experiences and resources that are tailored to the specific faith growth needs of people around a particular characteristic of faith maturing or theme/topic. Playlists are developed for each "stage" on the discernment continuum, such as Inquiring, Getting Started, Growing, Going Deeper. Each playlist provides a variety of ways for people to learn and grow in faith.*

## **Part 3. Publishing Playlists**

Publish the Playlists on a digital platform and use social media for connection, interaction, and sharing learning reflections. You can add the playlists to your existing church website or create a website just for faith formation and link it to your church website. Examples of faith formation websites: [www.SeasonsofAdultFaith.com](http://www.SeasonsofAdultFaith.com) and [www.FamiliesattheCenter.com](http://www.FamiliesattheCenter.com).

Building a website is made much easier today by the availability of online website builders that provide predesigned website templates, drag-and-drop features to create webpages, and hosting for the website. Three popular website builders to explore are *Weebly* ([www.weebly.com](http://www.weebly.com)), *Wix* ([www.wix.com](http://www.wix.com)), and *Squarespace* ([www.squarespace.com](http://www.squarespace.com)). All three have easy to use features and very reasonable subscription fees. For advanced users *WordPress* (<http://wordpress.org>) provides thousands of predesigned templates, lots of customization features, and ready-to-use apps. *WordPress* does require an understanding of web design and some programming ability.

Here are several suggestions for web usability to keep in mind as you design (from Steve Krug's excellent and easy-to-use book *Don't Make Me Think: A Common Sense Approach to Web Usability*, Third Edition, Berkeley: New Riders, 2014).

1. Don't make the user think—make web pages self-explanatory so the user hardly has any perceived effort to understand them, or example, clear choice of labels, clearly “clickable” items, simple search.
2. People generally don't read web pages closely; they scan, so design for scanning rather than reading.
3. Create a clear visual hierarchy and menu system (main menu, submenus).
4. Make it very clear how to navigate the site, with clear “signposts” on all pages.
5. Omit needless words.
6. The home page needs the greatest design care to convey site identity and mission.
7. Promote user goodwill by making the typical tasks easy to do, make it easy to recover from errors, and avoid anything likely to irritate users.

## Family and Parent Growth Pathways

We believe God dwells in every family and that family life is sacred. The profound and the ordinary moments of daily life—mealtimes, workdays, vacations, expressions of love and intimacy, household chores, caring for a sick child or elderly parent, and even conflicts over things like how to celebrate holidays, discipline children, or spend money—all are the threads from which families can discover God and weave a pattern of family faith.

We believe that parents are the most important religious influence on their children, and it is our responsibility as a church to support and encourage you. We know that faith is formed when there is a substantial investment of thought, time, and intimacy by parents. Our church is here to support you as a parent in developing a strong, healthy, faith-filled family life.

To help you discover areas for growth and to help us serve you better, please take a few minutes to complete the Family Practices and Parent Practices. It will help you identify strengths and areas of growth in your own life and in your family's life by identifying how frequently you (or your family) engage in particular faith practices and parenting practices.

Rate each item on the following scale, based on how frequently you engage in the practice:

- 1 = Never
- 2 = Rarely
- 3 = Occasionally
- 4 = Frequently
- 5 = Regularly

After you complete the review, identify areas of strength in your life as a parent and in your family life. Then identify areas that you and/or your family need to develop.
