Today's "Baby Boomers" face a new reality: their own aging and most importantly, the illness and eventual death of their parents.

In this Modern Age of medical possibilities, it is often extremely difficult to figure out which decisions we should make for the care of those we love.

Many are in the process of choosing assisted living or nursing home care options for parents. Others face even more crucial and immediate decisions regarding end-of-life treatments and care.

Presentation by:
*Deacon Charlie Stump, M.S.,
M.P.M.,
Director of Catholic Social
Ministries,
Diocese of Dallas*
